

On 2015, PS(Presentation Space) Jakarta was redecorated!!
We added the new sample that you are able to see our sliding door products in detail.
Variety NEXSTA Sliding Door are used for detached houses, and luxury high-rise condominium., and be pleased by many users.
We set up the new display because we would like to spread this great product.

YKK AP Indonesia is more accessible to our distributors and allows us to build greater depth and breath for better service to our customers. Especially Pro-Users (Architects, Developers, etc) in Jabodetabek area.

For more information about our products, please contact us at:
info-indonesia@ykkap.co.id
Our Sales Team will assist you to make sure our products meet your client needs.
