

**Participated in the Indo Build Tech Expo-Jakarta**

PT. YKK AP INDONESIA together with our distributor, PT. Yakin Karya Kencana, participated in the Indo Build Tech Expo, at Jakarta Convention Centre on June 5th-22nd 2011. In this exhibition, we displayed our new launched product such as 3 m height of sliding door and Unitized Curtain Wall named UCW-125 which has excellence in water tightness and many other strong points. Many visitors consist of pro-user and end-user who came to our booth have favorably received the products that we displayed. Also about 100 of visitors attended our product presentation we held.
